

Series 166 plug & socket terminal blocks

Series 164STF/BUF 2 pole 16A white plug & sockets 164STFW02 & 164BUF02

FEATURES

Metway Series 164STF/BUF 2 pole flat plugs and sockets, complete with strain relief are only half the size of the “big brother” Series 166 but offers the same advantages, for flexible installations. Thanks to the small dimensions that “plug & play” solution is now perfectly suited to shop fitting and booth construction. Saving laborious tasks, such as measuring dismantling, stripping and terminating, it considerably reduces the time pressure which these projects are often under. Project completion can be achieved easily more quickly and economically. In addition, its module system allows re-use of components in case of reconstruction work in a shop or when erecting display stands.

Series 164 are unique and ideally Suited for the installation in luminaires and appliances with limited space.

Series 164 2 pole flat plugs and sockets are also available in black.

Part Numbers:

164STFW02 – 2 pole male plug white
 164BUF02 – 2 pole female socket white
 164STF02 – 2 pole male plug black
 164STF02 – 2 pole female socket black

TECHNICAL DETAILS

Voltage Rating	240/400 V
Current Rating	16 A
Insulating Material	PA 6.6
Contact Material	Brass
Core Cross-Section min.	0.5 mm ²
Core Cross-Section max.	1.5 mm ²
Impulse Voltage Rating	4 kV
Flammability Rating	V-2
max. Ambient Temperature Operation	70 °C
IP Code	IP20
IP Code when Plugged	IP40
Cable Diameter min.	5 mm
Cable Diameter max.	7.7 mm
Approbation ENEC	yes
Approbation UL	yes
